

50. Klumperbeven

Uit de stop uit en been met gep

The image features a circular arrangement of text on a vibrant, abstract background. The background is composed of a radial gradient of colors, transitioning from deep red at the center to bright yellow and green at the edges. Overlaid on this gradient are several concentric circles of text, which appear slightly blurred and rotated clockwise. The text is written in a cursive, handwritten-style font. Some words are partially cut off by the circular boundaries. The overall effect is dynamic and suggests movement.
